

March 15, 2020

Barclay Downs Members:

Due to the Coronavirus (COVID-19) pandemic, Barclay Downs Swim & Racquet Club has decided to suspend all tennis clinics, adult and youth, through Sunday, March 29. This decision is based on our responsibility to provide a safe and healthy environment for our members, while helping the greater community flatten the curve during this unprecedented time.

Tennis facilities will remain open for usage of members, including individual play and private lessons. Please contact Tennis Director John Williams to arrange lessons at johnbdtennis@aol.com. The pool is currently closed, though we continue to prepare for the summer.

Please be assured that our staff is taking additional measures to keep our facility as clean and sanitary as possible. A special thanks to our professional staff for all they are doing during this difficult time.

We also encourage you to use common sense and adhere to protocols outlined by our public health officials, including resources provided by the [Centers for Disease Control and Prevention](#) (CDC) and [World Health Organization](#) (WHO).

We will continue to monitor the situation and reassess our approach in a couple of weeks.

Thank you for your understanding. Please be safe, and we look forward to seeing you on the courts again soon.

Barclay Downs Board of Directors
John Williams, Tennis Director
