Checking In

We hope everyone is staying safe and healthy. As North Carolina begins opening with the move into Governor Roy Cooper's Phase 1, we wanted to share some club updates. Like many businesses, we are waiting to hear about timing. We will determine an opening date for the pool based on State and County guidance.

We do know that Phase 1 does not include pools, and we know that Phase 1 will run at least through May 22 and possibly May 29. Beyond that, we are waiting to hear. We hope that pools will be included in Phase 2. The pool has received its operating permit for the season, the facilities are being prepped for opening, and lifeguards can hopefully resume their Red Cross training this week. We are working closely with AquaTech to take a proactive approach to opening while adapting to regulatory guidelines. While we do not know what those guidelines will be, we expect that there will be guidance regarding how many people can use the pool at a time. We also expect that there will be limitations regarding guest usage and no private parties through the month of June. We and AquaTech will work to integrate the guidelines into our new procedures to maintain a safe environment. We promise to keep you updated and let you know as more information becomes available.

We are working hard to open as soon as we can and expect a period of up to 14 days to open after Governor Cooper provides guidance and restrictions to allow adequate time to implement our plan. Thank you for your patience as we continue to monitor the situation.

We have posted all COVID-19 updates on our [website](#), and we will keep you informed as we finalize our opening plan. We look forward to providing a safe, healthy and fun environment for all to enjoy this summer. If you have any questions in the interim, please [contact us](#).

Welcome New Members!

We are excited to welcome 34 new members! [View our new members](#). We look forward to finding opportunities to meet one another soon. Please reach out to [Mary Ellen McElroy](#) for more information.

Social Events

In following current local ordinances, we have canceled our Memorial Day Event and postponed our Adult Party until September. While we don't expect to host club events in June, we hope to gather later in the summer. Our social committee is working hard to explore ways members can connect during these times. We encourage you to contact [Kursten Callahan](#) and [Shelby Ott](#) with any ideas for consideration. We can't wait to see you soon!

Swim Team Season

We are still determining Barclay Downs' approach to the 2020 swim season. Area club swim team representatives met virtually on May 12, and the league decided to wait until Phase 2 is declared with its stipulations. We hope to share more details at the end of the month. Thank you for your patience. Please contact [Sally Lindsay](#) and [Molly Kelly](#) with any questions.

Tennis Summer Camps

We are still planning on tennis and swim [summer camps](#) at Barclay Downs. Our team has created contingency plans for all different scenarios. Please go ahead and register for your desired weeks, and we will make sure you have a spot when you submit registration. Do not pay until the Monday morning of your camp week.

Questions about anything tennis? Get in touch with our tennis director, [John Williams](#).
