Pee Wees - This is your child's introduction to the life long game of tennis. We will focus on fundamental stroke production, hand-eye skills and movement. Many fun filled games are incorporated into this class to help generate a true love for tennis.

Future Stars - The Future Stars group continues to focus on all fundamentals. A greater emphasis will be placed on rallying, score keeping and match play. The goal of this group is to get kids to the point where they can play a real match on their own.

Quick Start/ 12 and under Team Tennis - This group is for kids who can control a rally on a 60 or 72 foot court. Most of these kids will play on our 10 & under or 12 & under Junior Team Tennis teams.

Advanced Stars - This is our highest level group. Kids in this group are playing team tennis, tournament tennis and school tennis. We will emphasize all the skills needed to be successful in top level play. Footwork, strategy and fitness will be part of clinics along with advanced stroke production. Participation in this group must be approved by John Williams.
