

### **Barclay Downs Members:**

I want to thank all tennis players for their patience and adherence to our guidelines for tennis in these last few weeks. We are in communication with many other local tennis clubs to be sure our policies stay in line with the Charlotte Tennis Community. In that light, we can now open up BD for doubles play and up to 4-person clinics starting Monday, May 18. We continue to remind everyone to practice social distancing and hand washing. We will have hand sanitizer on tables outside of the gates at BD during our regular business hours. We encourage you to use it before and after play. Our bathrooms will remain locked and water coolers and benches will still be off the courts. Please keep that in mind and bring your own water, as it is getting warmer now.

On a few other notes, we are still planning on starting BD kids camp the week of June 8. Most likely, we will have strict limits on numbers of kids coming so please let us know if you want to attend any weeks. Also, our popular ladies' camps will happen, but most likely we will do them 6-8 p.m. to keep our number of people at BD spread out through the day. I will be in touch about exact dates when we get some more clarity on what our kids' camps will look like.

Please note this is subject to change based on continued information and mandates from the CDC, State and Mecklenburg County.

Again, thanks to everyone and we look forward to seeing people playing tennis in a safe, outdoor environment.

Thanks,  
John Williams
